Concert in the Park subcommittee notes

Because the bulk of money for concerts comes from the annual grant the NDA receives from the city, the Concert committee recommends that there is an annual cap of \$1,000.00 dedicated to grant requests and allocations. Additionally, the committee recommends a \$250 cap per grant. The NDA will have to be thoughtful about grant awards as there are typically 6 or 7 repeat grant requests annually.

Even with these parameters, there will still be a funding shortfall for concerts going into the future. The committee perused the alternative funding ideas that Stephan had put together and came up with some additional ideas. After discussing all of the options, the following are the options we would like to suggest the NDA moves forward with.

- 1 - File grants with all NDA's, with the exception of the Ardenwald NDA as they provide a concert series in August as well.
- 2 - Seek financial support from the City of Milwaukie for concerts.
- 3 - Assure that grants awarded by our NDA do not diminish funding for concerts beyond a predetermined level. (See first paragraph)
- 4 - Apply for a grant from Celebrate Milwaukie Inc. (CMI).
- 5 - Sell drinks at the concerts (Lisa has since found out that Hearth & Soul Pizza sells drinks. Maybe we sell popsicles?)
- 6 - Have a raffle at the concerts.
- 7 - Apply for a grant from Providence

Lisa agreed to apply for the grant from CMI. She also agreed to sell popsicles at the NDA tent. However, she is hoping NDA members step

up and take turns in the tent at some of the concerts so that she can enjoy some of them with her family.

Help is needed with all of the other funding ideas.

II. Project or Program Details

Note: Please attach additional pages as necessary to fully describe the proposed project or program.

Describe the goal and the need for the proposed project or program.

We are raising funds for the MHS/MAA Grad Party, an all-night, chaperoned, substance free event, to be held after graduation on Monday, June 12. This event is a traditional celebration for all graduating seniors to commemorate their achievements and have one last fun experience together. In addition to ticket sales, donations are necessary in order to hold this event. It's also important that tickets are affordable so that all students who want to can attend.

Who will be involved in the project or program and how has support evolved in the neighborhood/s?

Several of last year's committee members also have seniors this year, so we have started off with a strong team. We partnered with a Milwaukie business to make the shirts/hoodies we are using to raise funds at school events. We have fundraisers planned with local restaurants, and there are several businesses who regularly support this event.

Project Time Frame: Beginning Date 1/1/23 End Date 6/12/23

Please describe how the grant money, if approved, would be used:

Funds will go toward the venue rental, transportation to and from the event, entertainment, equipment rental, food and drink, prizes, etc.

III. Proposal Criteria

Project meets at least one of the following applicability criteria for value to the neighborhood. Check the appropriate boxes:

(1) Neighborhood Organizing/ Organization Development

activities, services and materials that generate new neighborhood membership, grow the organization or educate neighborhood leadership toward the organization's development and continued operation.

(2) Neighborhood Physical Improvements

materials and services to be used toward playgrounds, minor park improvements, community gardens or other facilities, neighborhood markers, identity signs, banners, trash cans, benches, etc.

(3) Neighborhood Preservation

(4) Neighborhood Cultural, Social or Recreational Initiatives

materials and services that promote diversity, family literacy programs, neighborhood computer labs, after school enrichment programs, youth athletic leagues, career preparation, services for the needy, disabled or elderly and cultural activities such as music, dance, or art programs.

To the best of my knowledge, the project complies with all city, county and state codes.

Please provide any additional comments and information that you would like to share with the NDA/s about this proposal.

Our committee would be very grateful for any financial assistance you are able to provide to help us send off the senior class at this milestone event. In addition, we would like to be informed about opportunities for a limited number of seniors who would like to volunteer instead of paying for a grad party ticket. If there are students looking for this option, we would love to benefit the NDAs in this way.
