**II. Project or Program Details**

**Note:** Please attach additional pages as necessary to fully describe the proposed project or program.

Describe the goal and the need for the proposed project or program.

We are raising funds for the MHS/MAA Grad Party, an all-night, chaperoned, substance free event, to be held after graduation on Monday, June 12. This event is a traditional celebration for all graduating seniors to commemorate their achievements and have one last fun experience together. In addition to ticket sales, donations are necessary in order to hold this event. It's also important that tickets are affordable so that all students who want to can attend.

Who will be involved in the project or program and how has support evolved in the neighborhood/s?

Several of last year's committee members also have seniors this year, so we have started off with a strong team. We partnered with a Milwaukie business to make the shirts/hoodies we are using to raise funds at school events. We have fundraisers planned with local restaurants, and there are several businesses who regularly support this event.

Project Time Frame: Beginning Date 1/1/23 End Date 6/12/23

Please describe how the grant money, if approved, would be used:

Funds will go toward the venue rental, transportation to and from the event, entertainment, equipment rental, food and drink, prizes, etc.

Our committee would be very grateful for any financial assistance you are able to provide to help us send off the senior class at this milestone event. In addition, we would like to be informed about opportunities for a limited number of seniors who would like to volunteer instead of paying for a grad party ticket. If there are students looking for this option, we would love to benefit the NDAs in this way.
