

# MILWAUKIE PILOT

CITY COUNCIL

Mayor Lisa Batey

Shane Abma

Adam Khosroabadi

Robert Massey

Rebecca Stavenjord

## Help Elect Your Neighborhood Leaders This Month

The city's seven Neighborhood District Associations (NDAs) hold annual elections for leadership positions during their May meetings. If you live, own property or a business, or represent a non-profit in one of them, you are a member and can participate in the voting process. Anyone interested in running for a leadership position should attend their neighborhood's May meeting. Positions that are seeking candidates and will be voted on include chair, vice chair, secretary, treasurer and land use committee members. NDAs will also elect a representative for the city's Public Safety Advisory Committee. If one of these positions isn't of interest, there are still a variety of ways to get involved. Community members with a passion for specific topics, such as events, communication, parks, art, transportation, etc., may also attend to let the current leaders know to find other ways to get involved! For more information about Milwaukie's NDAs, meeting schedules, or which NDA you live in, visit the "Neighborhoods" tab at [www.milwaukieoregon.gov](http://www.milwaukieoregon.gov). For questions, contact Jason Wachs, community engagement coordinator, at [wachs@milwaukieoregon.gov](mailto:wachs@milwaukieoregon.gov) or 503.786.7568.

## Take the Water Line Survey, Chance to Win \$100 Gift Card

The city is currently developing a service line inventory in accordance with the EPA's lead and copper rule. This inventory is a federal requirement aimed at improving the safety and reliability of water infrastructure, and part of the city's commitment to ensure the highest standards in water quality. Over the coming weeks, Milwaukie residents will receive a postcard with a QR code that links to an online survey to compile accurate information about water service lines. The city appreciates everyone's help as it works to complete this federally-mandated rule. The community's assistance ensures the success of this initiative and contributes to the overall well-being in Milwaukie. To encourage participation, the city will randomly select 25 survey participants to win a \$100 Amazon gift card between June and August. For questions or concerns, contact the Public Works Department at [publicworks@milwaukieoregon.gov](mailto:publicworks@milwaukieoregon.gov) or 503.786.7600.

# Welcoming Youth Voices to Shape Milwaukie's Future

City Councilor  
Rebecca Stavenjord

As we welcome spring in Milwaukie, we are thrilled to announce the addition of five dynamic young individuals to our local boards and commissions. This significant step not only enriches our decision-making processes but also highlights our belief in the profound impact of engaging youth in civic affairs.

Young people bring a fresh perspective that is essential for innovation, creative problem solving, and a path to a more vibrant future in Milwaukie. Their insights are particularly valuable as they are the ones who will inherit the outcomes of our decisions today. When we include youth in our planning and decision-making, we ensure that our city evolves in ways that are relevant and responsive to the needs of future generations.

I have personally reached out to welcome these talented youth to their new roles, and I am inspired by their enthusiasm and readiness to contribute to our community's development. As they join our Arts Committee, Library Board, and the Parks and Recreation Board, their diverse backgrounds and unique viewpoints promise to bring new ideas and energy to our discussions, helping us envision a broader scope of possibilities.

Youth involvement in local governance is not just about giving them a seat at the table; it's about changing the table and that benefits us all. It is about listening to their voices and experience, and allowing them to lead initiatives that are important to them and their peers. This inclusion is an important step in building more complete communities.

Our new young board members see our city from a unique vantage point. They experience daily a different set of challenges and opportunities that our community presents, and they are tuned into the pulse of advancements and cultural shifts that are shaping the modern world. Youth bring an inherent understanding of the social and environmental concerns that influence public health, such as mental health awareness, recreational spaces, and sustainable urban development. Their insights are crucial as we develop policies that seek not just to solve problems but to prevent them. Their participation ensures that our strategies for growth and development are robust and inclusive, considering long-term sustainability and the well-being of all residents.

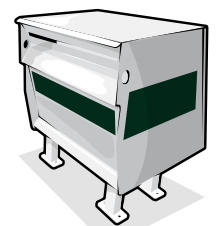

I am excited to work with these young leaders as ambassadors of change, bridging gaps between generations and bringing to light issues that may not have been previously considered. Their active participation is a testament to our city's dedication to being a place that not only listens to its younger residents but also values their input as critical to our collective success.

As we continue to plan for growth, we must do so with a vision that includes everyone. The fresh perspectives of our youth are guiding us toward creating a community that not only meets current needs but also anticipates future challenges and opportunities. Their voices encourage us to think differently, act compassionately, and plan meticulously to ensure a thriving, vibrant community for decades to come. Please join me in supporting and encouraging these young members as they embark on this important journey of civic engagement. Together, with their insights and leadership, we are not just planning for a city of the future; we are actively building a resilient, inclusive, and healthy community for generations to come.

If you are (or know) a young person in Milwaukie and would like to get more involved in your community, please contact [ocr@milwaukieoregon.gov](mailto:ocr@milwaukieoregon.gov) or 503.786.7502 to let us know!

## Special Election for City Council on May 21

The May 21 special election will feature city council position #3 to fill the role through the end of the current term, which ends Dec. 31, 2024. All registered voters in Milwaukie will receive a ballot for the May election from the Clackamas County Elections Office. There are three ballot boxes in Milwaukie—city hall (10501 SE Main St.), the public safety building (3200 SE Harrison St.), and at Clackamas Community College (7738 SE Harmony Rd.). Ballot boxes will be open to accept ballots as soon as they are mailed out.

For election questions, contact the Clackamas County Elections Office at [www.clackamas.us/elections](http://www.clackamas.us/elections) or 503.655.8510.

## Kellogg Creek Water Recovery Facility Celebrates 50 Years on May 8

Clackamas Water Environment Services (WES) is hosting a 50th anniversary celebration for the Kellogg Creek Water Resource Recovery Facility (11525 SE McLoughlin Blvd.) on **Wednesday, May 8 from 12:30 to 1:30 p.m.** Community members are invited to join the celebration and enjoy a light lunch, dessert and a chance to learn about the significance of clean water.

Launched in 1974, the Kellogg Creek Water Resource Recovery Facility serves WES customers in Happy Valley, Milwaukie and unincorporated areas of Clackamas County. Every day, the facility cleans nearly 7 million gallons of wastewater before releasing it into the Willamette River. In recognition of its excellence in plant operations and permit compliance, the facility received the Peak Performance Silver Standard Award from the National Association of Clean Water Agencies in 2020. For more information, visit [www.clackamas.us/event/2024-05-08/the-kellogg-creek-water-resource-recovery-facility-celebrates-50-years-of-service](http://www.clackamas.us/event/2024-05-08/the-kellogg-creek-water-resource-recovery-facility-celebrates-50-years-of-service).

### Historic Milwaukie Eateries

In the early 1930s, people would have stopped in at Carlson's Lunch Room for a midday bite. Decades later, community members opted to go to Whiz

Burger for "The Frenchie" or stopped into Mac's Pit for some barbeque. Some restaurants, such as Mike's Drive-In, have lured people towards other parts of Milwaukie, but Main Street has provided a variety of meal options. Even as some businesses shuttered, many were replaced with new restaurants. The restaurant where Libbie's currently resides dates to the 1940s when it was first opened as Speed's, then became Pal's Shanty, and then Libbie's. Perry's Pharmacy has been open for almost as long, and they continue to serve the same freshly-made sandwiches as they have in years past.

To learn about these and other historic industries in Milwaukie, stop by the museum (3737 SE Adams St.) on Saturdays from 11 a.m. to 4 p.m.

## MPD Offers Free Bicycle Registration

Did you know every 30 seconds a bicycle is stolen in North America? No, that's not a typo. While Milwaukie's theft rate for bicycles is very low compared to the rest of the region, it still makes sense to

take additional preventive measures to deter theft and provide the best chance for bicycles to be returned, if stolen or missing. The Milwaukie Police Department has partnered with Project 529 for bicycle registration resources for the community. The registration process is simple and best completed from a smartphone application from Project 529. Registration benefits include: centralized information storage of bicycle details, easy reporting of bicycle theft, and nationwide access for law enforcement and the community to stolen bicycle reports. Once a bicycle is registered, only participating law enforcement agencies can view a bicycle's registration details. If the bicycle becomes missing or stolen and the user activates a stolen bike report on the app, the basic information and photos are visible for the community to view creating a large audience on the street looking for the bike! To register a bicycle for free, begin by visiting [www.milwaukieoregon.gov/police/bicycle-registration-project-529](http://www.milwaukieoregon.gov/police/bicycle-registration-project-529).

## Pancake Breakfast Fundraiser on May 18

On **Saturday, May 18 from 9 a.m. to 1 p.m.** at American Legion Post 180 (2146 SE Monroe St.), the Milwaukie Police Department is hosting a pancake breakfast in support of the Corporal Diffie Veterans Fund, a non-profit fund of the American Legion Milwaukie Post 180. The event is more than just a breakfast, everyone who purchases a ticket to attend has a chance to win raffle prizes that include power tools, gift baskets, collectibles and more. Thanks to the Military Vehicle Collectors Club of Oregon, this year's breakfast will also feature an M3 Stuart tank and a POW/MIA-themed Humvee. For more information, visit [www.milwaukieoregon.gov/police/corporal-diffie-veterans-fund-pancake-breakfast-2024](http://www.milwaukieoregon.gov/police/corporal-diffie-veterans-fund-pancake-breakfast-2024).

The Corporal Diffie Veterans Fund was established in 2019 and provides sponsoring police agency patrol officers immediate access to funds to help veterans or their dependents with emergency assistance during times of crisis or when experiencing a gap in services—providing food, clothing, temporary shelter assistance or other basic needs until veteran resources at the federal, state or county level can provide the long-term solutions needed.

## Sediment Sampling in Kellogg Creek

This summer, sediment sample collection will begin in the impoundment area behind Kellogg Dam using large, on-water equipment. Sediment has been accumulating behind the dam since it was built in the mid-1800s, and large

equipment is required to collect samples in places where the accumulation is deep. These samples will provide data about the physical and chemical composition of sediment throughout the impoundment, which will directly inform planning and engineering aspects of restoring lower Kellogg Creek as part of the Kellogg Creek restoration project.

The sampling equipment will be launched from Kronberg Park and McLoughlin Boulevard bridge near Milwaukie Bay Park. Expect to see field testing crews, boats, sampling equipment and cranes at both sites. The Oregon Department of Transportation is working to minimize any traffic impact during the day and two nights (between 10 p.m. and 5 a.m.) of two-lane closures on the OR 99E bridge are anticipated. During sampling, those who live or work near the area may hear periodic noise between 7 a.m. to 7 p.m., Monday through Friday. For questions or concerns, contact Amy van Riessen with the North Clackamas Watersheds Council at amy@ncwatersheds.org. For more information and future updates, visit [www.milwaukieoregon.gov/kellogg](http://www.milwaukieoregon.gov/kellogg).

### Kellogg Creek Bioblitz

On **May 18 from 9 a.m. to 1 p.m.**, join the North Clackamas Watershed Council for the Kellogg Creek Bioblitz. At this event, volunteers will help document the plants, birds, insects and other wildlife that are currently in and around the soon-to-be-restored Kellogg Creek. The Kellogg Creek Bioblitz is an important part of ongoing efforts to monitor conditions in the natural areas surrounding the Kellogg Creek impoundment before the Kellogg Creek restoration project begins construction in 2026-27. This event is an opportunity to get outside and enjoy beautiful natural areas near downtown Milwaukie. Even though the habitat in the Kellogg Creek impoundment is fairly degraded, it's still being used by many birds and other wildlife, as well as plenty of plant life. The Kellogg Creek Bioblitz is open to everyone, and local experts will lead each group to help with identification and data submission. After the surveys, volunteers will share updates and enjoy a free lunch together. This event is supported by Bob's Red Mill. For more information, visit [tinyurl.com/kelloggbioblitz](http://tinyurl.com/kelloggbioblitz).

## Neighborhood Hubs Phase 2: Code Amendments

The second phase for the Neighborhood Hubs project is nearly complete! The Planning Commission held a public hearing about the proposed amendments in March and voted unanimously to recommend adoption. The next step is the city council hearing on May 7, where they will consider adopting the final code package. The goal for these code amendments is to support and encourage hubs-type development and businesses in the identified hub areas. If city council votes to adopt, the code is effective on June 6. For more information about the hearing, visit [www.milwaukieoregon.gov/citycouncil/city-council-regular-session-371](http://www.milwaukieoregon.gov/citycouncil/city-council-regular-session-371).

For information about the project and proposed code amendments, visit [www.milwaukieoregon.gov/planning/za-2024-001](http://www.milwaukieoregon.gov/planning/za-2024-001) or contact Vera Kolias, senior planner, at 503.786.7653 or [koliasv@milwaukieoregon.gov](mailto:koliasv@milwaukieoregon.gov).

## Utility Payment Changes

The City of Milwaukie is now using a banking lockbox service for processing utility payments. Due to this change, all bill-pay utility payments should be sent to the address below. Please update the remittance address with your banking institution to send payments to the correct location. Please note, any checks sent to the incorrect address after June 30, 2024 will be returned. For questions, contact utility billing at 503.786.7525.

### NEW REMITTANCE ADDRESS

City of Milwaukie  
 PO Box 34901  
 Seattle, WA 98124-1901

## Street Grinding and Paving

This summer, the city will grind and pave approximately three linear miles of Milwaukie streets currently in poor condition. The streets range from residential streets and cul-de-sacs, to popular routes used to get throughout the city, primarily in the Lake Road, Linwood, Hector Campbell and Ardenwald-Johnson Creek neighborhoods. Residents affected by this work will receive a mailer and doorhanger with more information about specific impacts. For more information about the grind and pave project, including specific streets and other updates, visit [www.milwaukieoregon.gov/engineering/grind-and-pave](http://www.milwaukieoregon.gov/engineering/grind-and-pave). For questions or concerns, contact the Engineering Department at [engineering@milwaukieoregon.gov](mailto:engineering@milwaukieoregon.gov) or 503.786.7606.

## New Library Hours

Beginning in May, the library will open two hours earlier on Sundays (10 a.m.) in an effort to make it easier for community members to swing by after visiting the farmers market or attending other downtown events. To allow for the time change, the library will close two hours earlier on Monday (6 p.m.). **Please note:** The library is closed on Wednesday, May 1 for staff training.

### NEW HOURS

Friday through Monday: 10 a.m. - 6 p.m.

Tuesday through Thursday: 10 a.m. - 8 p.m.

## ADULT PROGRAMS

at the Ledding Library

### Quarterly Book Sale

**Saturday & Sunday • May 4 & 5, 10 AM - 4 PM**

The Friends of the Ledding Library host a quarterly sale featuring books, CDs, DVDs, socks, puzzles and much more. Sunday is \$10 per bag day. The weekly Sunday book sales begin on May 12.

### May Poetry Reading: Eleanor Berry

**Wednesday • May 8, 6 PM**

The Milwaukie Poetry Series continues with poet Eleanor Berry in the Ledding Library. Berry has two full-length poetry collections—*Green November* and *No Constant Hues*—and lives in rural western Oregon.

### Annual Plant Sale

**Saturday & Sunday • May 11 & 12, 9 AM - 4 PM**

**Saturday • May 18, 10 AM - 1 PM**

Shop a selection of perennials, native plants, vegetables, trees, shrubs and more at Milwaukie Floral & Garden, 3306 SE Lake Rd. For more information, email [leddingfriends.plantsale@gmail.com](mailto:leddingfriends.plantsale@gmail.com) or visit [leddingfriends.org](http://leddingfriends.org).

**MORE INFO**  
[milwaukieoregon.gov/library](http://milwaukieoregon.gov/library)

## Kid & Teen Activities in May at the Library

### Joyful Parenting Playgroup

**Tuesdays • 10:30-11:30 AM**

Weekly learning playgroup with parenting tips about the first five years. Bring kids and questions! For ages 0-5 and their loving grownups. Hosted by Sophia Butler of Clackamas Parenting Together. More info at [tinyurl.com/joyunder-5](http://tinyurl.com/joyunder-5).

### Little Lab Science Class: Things That Go

**Monday • May 6, 10:30 AM**

Hands-on science fun. Make a balloon car while learning about wheels, axles and engines. Ages 2-5. Sponsored by the Friends of the Ledding Library.

### Baby Sign & Play Time

**Thursday • May 9, 10:30 AM**

A baby sign language play and sing class with Christina Schabow. Ages 0-18 months. Sponsored by the Friends of the Ledding Library.

### LEGO Club

**Saturday • May 11, 2-3:30 PM**

Build with LEGO expert Molly, who will offer a creative challenge, along with tips and tricks. Ages 5 and older.

### Stretch, Dance, Play!

**Thursday • May 23, 10:30 AM**

A fun-filled creative movement class with Growing Arts teacher Iris Nason. Ages 2-5. Sponsored by the Friends of the Ledding Library.

### Drop-In Cardmaking

**Saturday • May 11, 10 AM - Noon**

Supplies are provided to create beautiful cards for any occasion. All ages welcome—even grownups!

### Teen Room Gaming Nights

**Tuesdays • 5:30-7:30 PM**

Get your game on with Xbox X and PS5 consoles. Bonus game day on Sunday, May 19 at 2 p.m. Grades 6-12.

### Teen Movie Matinee

**Saturday, May 18 • 3 PM**

Enjoy a screening of *The Hunger Games: The Ballad of Songbirds & Snakes*. Snacks provided by the library. Grades 6-12.

# NEIGHBORHOOD NEWS

## LEWELLING

Last month, the Lewelling NDA hosted its semi-annual neighborhood clean-up event. As always, it was lots of fun and continues to bring folks in the neighborhood together. This month, the NDA also penned and officially sent off two letters of support to other jurisdictions. First, a letter to the Safe Routes to School Advisory committee in support of the Safe Routes project application the group and city put together for Seth Lewelling Elementary School. This work has been ongoing for more than two years and continues to be a great source of pride for the NDA.

The second letter was sent to the Clackamas County Board of Commissioners. The fate of the Wichita Center and its services are up in the air as the County Commissioners, acting as the board for the North Clackamas Parks & Recreation District, chose to end the North Clackamas School District's lease on the property behind closed doors in December 2023. Due to public pressure, the county and school district are now at the negotiating table regarding the sale of the property to the North Clackamas School District. The hope is for this great concentration of resources to remain at this location. The letter encouraged full transparency for the negotiating process and a good deal for the school district.

**NEXT MEETING** WED, MAY 8 • 6:30 PM  
LOCATION: MILWAUKIEOREGON.GOV  
CHAIR: Camden McKone • lewellingndachair@gmail.com

## HISTORIC MILWAUKIE

**NEXT MEETING** MON, MAY 13 • 6:30 PM  
LOCATION: MILWAUKIEOREGON.GOV  
SECRETARY: Debbie Liptan • debbieliptan@mac.com

## JOIN THE TEAM!

Check out job opportunities with the City of Milwaukie by scanning the QR code or visiting [milwaukieoregon.gov/jobs](http://milwaukieoregon.gov/jobs).

## HECTOR CAMPBELL

Due to increasing temperatures in August, the Hector Campbell NDA is risking the rain and moving the neighborhood picnic to June this year. Thanks to those who responded to the survey asking about date and day of the week preference. With that information, the neighborhood is scheduling the annual picnic for June 9. Those who live in Hector Campbell will receive a postcard about the event, but the picnic is not limited to just Hector Campbell neighbors! The picnic will feature a live band, food truck and games for kids. Everyone is welcome.

Also, for those who haven't heard, the Hector Campbell Elementary School site will now be home to Cascade Heights Charter School. They will move in this summer and start their fall 2024 school year in the lower portion of the campus. The upper park will remain open to the public and the community garden will stay as is, however, the lower portion of the campus will be unavailable during school hours.

**NEXT MEETING** WED, MAY 8 • 6 PM  
LOCATION: MILWAUKIEOREGON.GOV  
CHAIR: Corinn DeTorres • campellneighbors@gmail.com

## LINWOOD

The next meeting is May 9 when elections for new officer positions will be held. Please consider coming to vote or volunteer for a position. Save the date for a new neighborhood event—the Linwood Neighborhood Garage Sale on **June 1 from 9 a.m. to 1 p.m.** Also, keep the Saturday of Labor Day weekend in mind for the Linwood Block Party. For questions or more information about this event, contact [linwoodnda@gmail.com](mailto:linwoodnda@gmail.com). The Linwood NDA meets on the second Tuesday of each month at 7 p.m. at St. Paul's Methodist Church. To enter the building, head to the backside parking lot and use the fellowship hall entrance.

**NEXT MEETING** THU, MAY 9 • 7 PM  
LOCATION: MILWAUKIEOREGON.GOV  
CHAIR: Elizabeth Start • linwoodnda@gmail.com

## LAKE ROAD

Officer elections are in May! It's a great volunteer opportunity to help out the neighborhood! Last year's officers are all willing to continue in their positions, but some fresh faces and ideas would be great for the NDA! Most importantly, Lake Road has been without a secretary for two years and it's an extra load for other officers to carry each month. Attending meetings is a chance to get to know neighbors and learn more about both the neighborhood and city. Consider attending on Wednesday, May 8 at 6:30 p.m. - your vote counts!

Other items at the May meeting are discussions about upcoming projects, such as the annual picnic, a harvest festival, neighborhood signs and more. Lake Road would appreciate input from all neighbors about what is important to them. Pizza, water, soda and maybe even some treats are provided at each meeting, so no need to worry about dinner. Meetings are also available through Zoom. For questions, comments or concerns, contact the NDA chair at lakeroadndachair@gmail.com or the co-chair at lakeroadndacochair@gmail.com.

**NEXT MEETING** WED, MAY 8 • 6:30 PM  
**LOCATION:** MILWAUKIEOREGON.GOV  
**CHAIR:** Debby Patten • lakeroadndachair@gmail.com

## ISLAND STATION

Spring has sprung in Island Station, but along with the blooming flowers comes the dreaded hay fever season. While reveling in the beauty of the neighborhood, let's not forget the importance of maintaining it by eliminating invasive plants. English ivy, Himalayan blackberry, clematis vitalba and lesser celadine are among the culprits that threaten the native flora. Come help combat invasives at volunteer work parties, held every third Saturday from 9 a.m. to noon until June 2024. Volunteers will target specific areas on Elk Rock Island to clear out invasive species and make way for native plants to flourish. Witness the beauty of trillium and other plants emerging in areas cleared by previous efforts. Don't forget to wear long sleeves and pants, and bring hand tools.

The neighborhood is now covering meal costs for neighbors attending the monthly NDA meetings, held the third Wednesday of each month at 6:30 p.m. at Two Sisters Café. The NDA will also cover the play area fee, so caregivers can participate in the discussions about city and neighborhood activities. Come play a part in shaping the future of the community!

**NEXT MEETING** WED, MAY 15 • 6:30 PM  
**LOCATION:** MILWAUKIEOREGON.GOV  
**CHAIR:** Charles Bird • charlesbird@juno.com

## ARDENWALD-JOHNSON CREEK

Join the neighborhood for two monthly habitat restoration projects:

- Minthorn Springs clean-up on **Saturday, May 11 at 9:30 a.m.** Work includes trail maintenance, invasive weed removal, litter pick-up and/or native plantings.
- Tideman Johnson work party on **Saturday, May 4 at 9 a.m.** Come help plant trees, pick up litter and/or remove invasive weeds to establish and enhance wildlife habitat.

More details about these events can be found at [www.ardenwald.org/calendar](http://www.ardenwald.org/calendar).

Neighborhood District Association elections are coming up in May! There are open positions and the time commitment is low. Come to a meeting to see what it's all about and become a neighborhood leader!

As always, everyone is welcome to attend meetings, which are the fourth Monday of each month from 6:30 to 8 p.m. at the Milwaukie Café. There's always snacks from Milwaukie Café, and it is a great way to learn about the neighborhood, get involved and have questions answered!

**NEXT MEETING** MON, MAY 20 • 6:30 PM  
**LOCATION:** MILWAUKIEOREGON.GOV  
**CHAIR:** Chris Holle-Bailey • chrisinardenwald@gmail.com

## Smoke Alarm Safety

Smoke alarms save lives. When properly installed and maintained, smoke alarms play a vital role in reducing fire deaths and injuries. If there is a fire in the home, smoke will spread quickly, but smoke alarms provide time to get out.

### Important to know:

- A closed door may slow the spread of smoke, heat and fire. Install smoke alarms in every bedroom and outside each separate sleeping area. Install smoke alarms on every level of the home.
- Smoke alarms should be interconnected. When one sounds, they all sound.
- When smoke alarms sound, get outside and stay outside.
- Test smoke alarms once a month to ensure they are functioning properly.
- Replace all smoke alarms in the home every 10 years.
