Desired Outcomes

- Feedback on the updated PLTS and BLTS analysis.
- Feedback on the needs/gaps analysis approach and findings.
- Feedback on the priority focus areas.
 - Recognizing that the priority focus areas are a subset of the overall key destinations you helped us develop, do we need to refine these focus areas?
- Feedback on the PLTS and BLTS improvement targets.
 - Are the identified PLTS and BLTS targets appropriate given the existing urban context and the overall levels of inventory gaps and needs?
