Subject: Milwaukie Boys Basketball

Milwaukie Neighborhood Association,

Basketball is right around the corner and we are anxiously getting ready for our 2022-2023 Summer/Fall/Winter Mustang basketball season. Our program focuses on building a solid foundation for student-athletes interested in basketball. We believe in building character first and athletic skills second. One of our goals is to enable young men to become positive members in the community through the experiences gained in basketball. This year-round program includes the high school basketball season, summer leagues, fitness and conditioning classes, and academic support.

The Mustang basketball program is increasing in the number of players at the high school and in our youth feeder program so are our needs for equipment, uniforms, facility improvements and staff. Again this year, our budget from the district has been reduced and so much of our income comes through fundraising. To run a successful basketball program it takes a budget of right around \$20,000 annually.

Here is where we desperately need assistance. We understand that the economy isn't the strongest right now, but we believe our community and families are stronger. Our needs are not always financial. We are in need of partners who will go that extra mile with us to see success in these young men. We need to provide our student-athletes with a facility, uniforms, and equipment that demonstrate our commitment to them. Listed below are a few of our more urgent ones: new basketball's, nets and rims, basketball equipment such as shooting tools, rebounding tools and conditioning tools, uniforms (currently, each team barely has one set for both home/away contests) summer league sponsorship, summer tournaments and team camps, coaching stipends, gym maintenance, and meals for our players, travel expenses, lodging, transportation, and travel money. You would be helping 50 kids in our basketball program.

We believe that Milwaukie High Basketball is an excellent organization to choose to support. The MHS coaching staff stress having fun, developing not only basketball, but also life skills. We also stress a commitment to bettering their community through their behaviors and service activities. We require our athletes to meet tough academic standards, place respect for themselves and opponents, as well as sportsmanship above winning. Your contribution will enable your family member/friend to play basketball at a reduced cost, have coaches, have better equipment, and a memorable life experience.!

Each Donor can receive a tax-deductible receipt from the Milwaukie Basketball Program if they wish, under the umbrella of the national renowned PTSA non-profit organization. Thank you for considering the Mustang basketball program a worthy investment!

I hope you find that the goals of the Milwaukie Boys Basketball program are worthy of your support. Finally, we will provide you with a plaque. included with a team picture for your gracious contribution. **For more clarification or questions, please feel free to contact me anytime. Thank you for taking an interest in the lives of our young men.** Contact Donny Law, Head Varsity Basketball Coach at lawd@nclack.k12.or.us

II. Project or Program Details

Note: Please attach additional pages as necessary to fully describe the proposed project or program.

Describe the goal and the need for the proposed project or program.

Milwaukie Public Safety Foundation supports the Milwaukie Police Department K9 program by purchasing trained police dogs for the department, as required. Since 2008 we have purchased 4 dogs for the department at an approximate cost of \$13,000 each, the last one being Benz in November 2021. The main fund raising event is an annual 9K for K9 Walk, which is being restarted in August 2022, after a 2 year break during the COVID pandemic.

Who will be involved in the project or program and how has support evolved in the neighborhood/s?

The event is organized and run by the Milwaukie Public Safety Foundation. A 501(c)(3) registered in the State of Oregon. It is sponsored by local businesses and individuals from the City of Milwaukie and surrounding areas. Those taking part in the event mainly come from the same area. This year subject to permit approval we plan to hold the Walk downtown along the waterfront. The Walk is not a race but a fun family event to raise funds for and to support Milwaukie Police Department. The Walk receives practical support from the Milwaukie Community Response Team.

Project Time Frame: Beginning Date 1/3/22 End Date 8/27/22

Please describe how the grant money, if approved, would be used:

Grant money will be used to fund the organization costs and running of the Walk. 100% of grants, sponsorship, donations or Walk entry fees will only be used to run the Walk and support the MPD K9 program. Costs include but not limited too, insurance, rental fees charged by property owners, event t-shirts, permit fees, and refreshments.
